

## The Alignment of Co-curricular Activities with the Diploma Policy (DP).

	OUS Diploma Policy (DP)
A	Acquire knowledge in specialized fields necessary to contribute to society. Acquire a wide range of education and basic knowledge necessary for various activities in society and for understanding different cultures.
B	Collect and organize information according to issues and objectives. Identify problems and propose solutions to them using a variety of methods.
C	Acquire a keen interest and enthusiasm to continue learning and contributing to society. Cultivate initiative and collaboration skills. Acquire the international perspective and ethical values expected of independent professionals in society.
D	Demonstrate academic knowledge and provide results, observations, and insights on topics of personal interest in a logical manner. Effectively communicate thoughts and feelings to others in a clear and understandable manner.
